

Our Commitment

Promote the development of communities through access to energy and responsible consumption; and contribute to the preservation and enhancement of the planet's natural resources.

with projects for energy transition and social inclusion

We guarantee that all our projects

- Are aligned with one or more of the Sustainable Development Goals (SDGs)
- Contribute to the Human Development Index
- Promote the development of the communities where we are
- Contribute to the preservation and enhancement of the planet's natural resources.

Sustainable Energy and Biodiversity Protection

Reforest and promote the preservation of biodiversity

Terra de Esperança (Land of Hope)

Portugal | Until 2021

500 thousand
native species of trees

+30
municipalities in
Portugal

42.5 thousand
tons of CO₂ sequestered
over the next 30 years

+8,740
volunteers

One Tree, One Child

Amigos de Inharrim

600 Trees 5000 Children
8 Schools
