

Our Commitment

Support communities in social emergency situations, through humanitarian aid, with cooperation and partnerships, for their development.

In 2021 – 1.452.764

with initiatives for social emergencies support

And we guarantee that all these projects...

- Are in cooperation with the different agents of the community on the implementation of the humanitarian response that is emerging
- Are aligned with one or more of the Sustainable Development Goals (SDGs)
- Contribute to the Human Development of communities (reference: HDI)

Social Emergencies

Support communities in social emergency situations, through humanitarian aid

Food emergency response | 2020/ 2021

Mozambique | Almost two million people had to face the devastation caused by Cyclone Idai. Galp Foundation joined up with Galp volunteers, NDGOs, Helpo and the Mozambican Red Cross to help populations affected by one of the biggest tropical storms which devastated several areas.
