

In 2020, Galp and Galp Foundation impacted

**+235,000 people**  
**8 geographies**

with projects for energy transition and social inclusion

We guarantee that all our projects

- Are aligned with one or more of the Sustainable Development Goals (SDGs)
- Contribute to the Human Development Index
- Promote the development of the communities where we are
- Contribute to the preservation and enhancement of the planet's natural resources.
